ELEVATUS

360 Feedback

Enhance the skills of your employees

The 360 Feedback

Goal

Evaluate an individual's skills by combining their self-assessment and that of those around them

Principle

Evaluation sent to the candidate themselves and their professional entourage: managers, colleagues, clients, etc.

Target audience

Any employee, individually or in a team.

Objectivity

The multiplicity of reviewers provides a complete and objective view of the candidate.

ELEVATUS

Advantages

PERSONAL DEVELOPMENT

Help your teams to strengthen their self-knowledge

The comparison between the different perceptions of an employee's skills is a basis for a development plan.

SKILL DEVELOPMENT

Highlight the strengths and focus on the areas of development

Identify the strengths in your company and target areas for development as well as training needs.

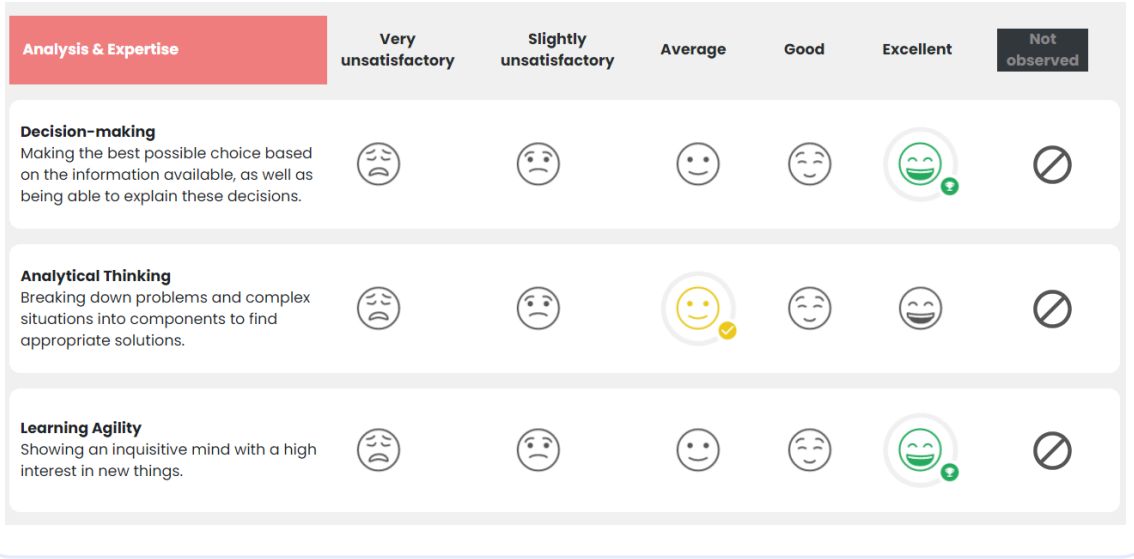

ANNUAL EVALUATION

Feedback on professional and behavioral performance

Feedback from the managers, peers or customers helps refocus on objectives and enhance the role of an employee within the company.

Features of 360 Feedback

- For reviewers: Information on the bond with the participant (no. of years of collaboration, hierarchical link, etc.)
- Rating of the skills to be assessed: very unsatisfactory (1); very good (5); unobserved (0)
- General performance assessment
- Strengths and areas for improvement
- Personalised comments

3 modules: generic, sales, managerial

4 categories of reviewers (n, n+1, n-1, others)

Available in French, English and Spanish

Time: 10-15 minutes

- General summary of feedback by category of reviewer
- Global performance analysis
- Detailed analysis of feedback by skill group
- Summary of key skills and areas for improvement
- Personalised comments

Launch your 360 campaign in 3 steps

1

Set up your campaign

- Define the objectives of the campaign, the desired minimum participation rate and the rights of the evaluators
- Add people to evaluate

2

Manage reviewers

- Add reviewers who will give their feedback
- Define the type of reviewer (managers, colleagues, etc.)

3

Return the results

- View reports as soon as the participation rate is reached
- Organise the restitution of reports and the implementation of skills development actions
